

# TADIWANASHE MPUPUNI

---

## DATA ANALYST

---

### CONTACT

---

+263 777 914 727  
mpupunitadiwanashe@gmail.com  
<https://tadiwanashempupuni.com/>

### SKILLS

---

Data Cleaning and preprocessing  
Exploratory Data Analysis (EDA)  
Data Visualization and Reporting  
Business Requirements Analysis  
Analytical Thinking  
Problem Solving  
Stakeholder Communication  
Agile/Scrum collaboration

### TOOLS & TECHNOLOGY

---

Python (pandas, NumPy)  
SQL (SQL Server)  
Excel  
Git & GitHub

### EDUCATION

---

Midlands State University  
**2021-2025**  
Bachelors Degree in Data Science  
and Informatics

### Certifications

---

**2026**  
Microsoft Azure Data Fundamentals  
(DP-900)

### PROFILE

---

Data Analyst with a strong foundation in Data Science and Informatics and hands-on experience as a software developer working with real-world production data. Highly skilled in SQL, Python, data cleaning, exploratory data analysis, and translating business requirements into clear insights. Experienced in building data-driven systems, collaborating with cross-functional teams, and supporting decision-making through structured analysis and reporting.

### EXPERIENCE

---

TTCS Global | Full Stack Developer

#### 2024-Present

- Analyzed application and transactional data using SQL to support reporting and system optimization.
- Designed and implemented RESTful APIs that exposed structured data for internal reporting and analysis.
- Wrote optimized SQL queries to extract, clean, and transform data from production databases.
- Collaborated with stakeholders to translate business needs into technical and analytical solutions.
- Ensured data accuracy, consistency, and integrity across systems.

TTCS Global | Software Development Intern

#### 2023-2024

- Assisted with data inspection, debugging, and validation during application testing.
- Gained hands-on experience working with structured datasets in production environments.
- Supported data-driven features by querying and analyzing relational databases.
- Participated in Agile ceremonies and collaborative problem-solving sessions.
